Since its inception 19 years ago, the CFMA Scholarship Fund has provided financial assistance to over forty students.

As your father used to tell you, “that money doesn’t grow on trees”. That money – approximately \$85,000 – came from the CFMA Golf Tournament. That money came from people like you.

Thank you for your remarkable support of this event. Tee time will be here before you know it, so dust off the clubs and shake the rust off your swing and get ready to play!
