August 1, 2019

GOLF EXTRAVAGANZA

SCRAMBLE RULES:

- You can move the ball one club length from its original position without changing surfaces or moving it closer to the hole.
- Once you are on the green, you must play the ball as it lies (no club length)
- On each hole, the **max score is one over par (Bogie)**. If you are one over par, you can pick your ball up and head to the next hole
- Three person teams will alternate their fourth shot
- **Cash prizes for Men's and Women's longest drive and closest to the pin**

RULES FOR HAVING FUN:

- **Cheating with Licorice**
Each team will receive one licorice rope. You will be able to use all or a portion of it to advance your ball without counting a stroke. For example, if a player leaves a birdie putt 6 inches short, (s)he can tear off some of the licorice rope and eat it so the team can have the birdie. You can do this as long as the licorice rope remains. Teams are not allowed to use their licorice for the longest drive, closest to the pin or longest putt. No stretching the licorice!!
- **One throw**
Each player has the opportunity to use a throw or roll to advance the ball without counting it as a stroke. One throw per person per round of 18. The catch is that each person may only use their throw on a shot that that person hit. You can do this on any part of the course but the green (it can be on the fringe). Use your throw wisely!
- **Special Holes**
 - #4 Speedster Hole:** On this hole you are **timed**. Pick your strategy wisely. Does everyone shoot, do you get the lowest score or is going fastest more important? Team with the fast time wins a coveted price sponsored by **TBD**
 - #6 The One Clubber:** Each person can only use one club for the entire hole. There will be a bucket at the start of the hole for each player to draw a slip a paper from. Whichever club is on this slip of paper will be the club you will use. When you draw, put the slip back in the bucket, because it would be funny if a team drew two putters. Please place the slip of paper back in the bucket once you are finished.
 - #15 Florida Scramble** – Tee off as usual with your group and select the best ball to play the next shot from. The player owning the best shot sits out the next shot, while the remaining three players play on. This cycle continues, forcing one player to sit out each shot until the ball is holed. Regardless if you already sat out for your best shot, you are still able to get back into the mix (i.e. there will only be 3 people golfing each time after the first shot).

2019CFMA Lansing Chapter Golf Scramble

Thank You!

We would like to take a moment and thank you for your participation & investment in our golf outing. Your investment will help us provide a \$1,000 college scholarship to three deserving local students. We could not accomplish this without your generous support.
