**HERB BROWNETT, CCIFP**, (*President of Brownnett & Associates, LLC a construction financial management consulting firm.*) A construction financial professional for more than 30 years, he holds a BS and MBA in Finance/Accounting from Florida State University. A CFMA member since 1988, Herb has served as CFMA Chairman, ICCIFP Chairman, President of the Greater Washington D.C. Chapter, and is currently a member of the Philadelphia Chapter.

**ERIK KENNEDY**, (*mJobTime*) Erik joined mJobTime in 2019 through the acquisition of the PowerTrack team. Prior to that Erik spent 20+ years with POSDATA where he was on the team that created the PowerTrack solution platform. Erik and his team have been hyper focused on providing mobile applications to the construction market with an emphasis on two crucial success indicators which are ease of use and integration.

**DALE THOMAS** (*Maine Drilling and Blasting*) In 2011 MD&B brought in Dale Thomas as its IT Director, a specialist who had worked in many industries. Dale is a visionary and entrepreneurial senior leader with 20+ years of providing strategic planning, and solutions for IT infrastructure that integrates business objectives, strengthens the enterprise, and improves productivity.

**BRENDAN ABBOTT**, (*ATX Advisory Services*) Brendan is a CPA, with an MBA in accounting. He has over 20 years of experience leading accounting and technology service teams and engagements; including software design and implementation, business process reengineering, and integration projects. In addition to his expertise in ERP applications, project management, and business intelligence, he is also an experienced provider of controller and CFO advisory services.

**ANIRBAN BASU** (*Chairman & CEO of Sage Policy Group, Inc. an economic and policy consulting firm in Baltimore.*) In 2014, Maryland governor Larry Hogan appointed him Chair of the Maryland Economic Development Commission. Anirban also serves as the chief economist to Associated Builders and Contractors and as chief economic adviser to the Construction Financial Management Association. In 2007 and then again in 2016, Dr. Basu was selected by the Daily Record newspaper as one of Maryland's 50 most influential people. The Baltimore Business Journal

named him one of the region's 20 most powerful business leaders in 2010. He holds four graduate degrees, including a JD and a PhD.

**VIENNA MORRILL**, (*BerryDunn*) An organization's greatest asset is its people. Vienna helps organizations implement strategies for helping employees and stakeholders be their best—both professionally and personally. Vienna combines over a decade of management consulting experience with a deep interest in human potential and well-being to help organizations achieve their business goals.

**ASHA ECHEVERRIA**, (*Bernstein Shur*) Asha's specialty is dispute resolution involving construction, energy, insurance, and banking claims. In addition to being an attorney, Asha is a licensed professional engineer, with LEED accreditation and years of experience designing and coordinating multi-million dollar projects as a civil engineer with Parsons Brinckerhoff. Her firsthand experience with the ins and outs of construction, and energy projects makes her an especially effective advocate in litigation matters and contract negotiations spanning those fields.

**KELLY GAGLIUSO** (*Bernstein Shur*) After almost 25 years of representing construction clients, including contractors, sub-trades and material/equipment suppliers, Kelly understands that contractors need quick results with minimal disruption to their ongoing projects. Well-versed in the language of construction, available project delivery methods, construction contracting formats and resolution strategies that are best suited to the needs of construction industry players, Kelly takes pride in prioritizing results over process and fashioning practical, workable solutions to the problems that frequently occur in real-world construction scenarios.

**RICK GAGLIUSO** (*Bernstein Shur*) From the beginning, Rick's career has focused on business law and litigation, and he brings the same intense focus and forethought to every interaction with his clients. An expert on construction law, Rick has represented contractors and other participants in the construction process in virtually all areas where construction and the law intersect, from contract negotiation and formation through the issues that arise during construction to performance and payment disputes and construction defect claims. His proficiency in

these fields has made him an invaluable asset to business clients throughout New Hampshire—and beyond.

**CONOR SHANKMAN** (*Bernstein Shur*) With a background as an online instructional designer and educational technologist, Conor possesses a nuanced understanding of modern technology and a penchant for communicating clearly to any kind of audience. His experience and insight come in handy, especially when he's assisting organizations that need litigation support and counsel in data, privacy, and technology integration.

**GEORGE BURNS**, (*Bernstein Shur*) George has been practicing law for over four decades and focuses on litigating, arbitrating, and mediating business and construction disputes. His trial experience is extensive and multi-faceted, before juries and arbitrators alike throughout New England and New York, including numerous construction and design claims, some involving tens of millions of dollars; products liability and toxic tort cases; and personal injury, tax, antitrust, securities, and partnership disputes.

**DAVID FLYNN**, (*Executive Vice President and CFO, B2W Software*) David plays a key role in driving B2W Software's strategies while overseeing all aspects of finance, accounting, legal and administrative operations. He has more than 25 years of high-tech financial and operations experience as a senior executive and CFO across firms focused on software, hosting and technology-enabled services. David is a CPA who began his public accounting career at PriceWaterhouse LLP. He is an active member of CFMA nationally, and a founding member of the New Hampshire chapter where he is a board member and most recently served as President.

**KATHRYN SCHNEIDER** (*IFS*) Kathryn has spent the majority of her career in construction technology and in her current role as Key Account Manager at IFS, she works to empower project teams to deliver successful projects, optimize resource and reduce market erosion through technology alignment. She is a Maine Chapter Board Member and participates in the Programs committee to help deliver education content and member engagement. She is passionate about learning and making it fun.

**KYLE HOLMSTROM, CFO** (*Cianbro*) Upon graduating from the University of Maine with B.S. and MBA degrees, Kyle spent 15 years with General Electric in progressive financial leadership positions in various businesses having been located throughout the country and overseas. He then served as the Vice President of Finance for Sandridge Energy, a publicly traded Oil & Gas Exploration company in Oklahoma City, before finally joining The Cianbro Companies in 2016.

**TASHA GARDNER, CFO** (*Sargent Corp.*) Tasha breathes life into the workplace. As Vice President and Chief Financial Officer of Sargent Corporation, she values the work and the individuals who make it thrive. The heavy civil contractor with impressive projects throughout New England and the Mid-Atlantic is 100% employee-owned by over 400 skilled workers. Tasha is proud to work with this collaborative team, overseeing finances for the literal movers and shakers of the building world. Prior to joining Sargent, Tasha was a partner at the regional accounting firm BBSC, CPAs for a decade.

**JAMES DINARDI, CFO** (*Bond Building Construction Inc.*) James has been a construction financial professional for over 20 years and has been the CFO of Bond Building Construction Inc. since 2018. His focus is on aligning people with systems and process to facilitate healthy, profitable, growth, and leveraging data to better understand the path forward. James is a CCIFP, has served as the treasurer of the Massachusetts CFMA chapter for the past 11 years and was a finalist for the Boston Business Journal's CFO of the year awards in 2012.

**CHRIS GALBRAITH, CFO** (*North Branch Construction*) Chris began his career at North Branch Construction in 2005 as a carpenter and in 2008 was promoted to the position of Assistant Project Superintendent and Finish Carpentry Crew Supervisor. In 2012 Galbraith became a Project Superintendent. He became a Principal and Vice President in 2014. He currently serves as President on the Board of Directors for the New Hampshire Chapter of the Construction Financial Management Association (CFMA). Chris was named to the CFMA 40 Under 40 List in 2021.
