## PROFESSIONAL EXPERIENCE

**GENESYS** – Indianapolis, IN

**12/2016 to 03/2020**

### Senior Finance Program Manager

- Partnered with global Finance leaders and IT management to engage key stakeholders in the continual prioritization and successful completion of business and operational systems projects.
- Worked directly with Finance leaders and their teams from Accounting, Accounts Payable, Accounts Receivable, Tax, and Revenue in North America, EMEA and APAC to standardize processes and systems.
- Worked with global Finance workstream owners to capture the current state of their complex processes.
- Led the design of future global Finance processes focused on adding value while eliminating waste.
- Managed the on-time and on-budget implementation of Cforia.autonomy for global accounts receivable management, which increased cash collections by resolving disputed and past due invoices.
- Partnered with global business unit leaders to identify the various root causes of excessive credit memos.
- Recommended solutions that significantly reduced both credits and the negative impact on revenue.
- Performed user functions in Salesforce using WalkMe Automation tools and reported findings to the technical leader of Sales Operations to ensure online training aids align with standard processes.
- Partnered with Salesforce education leaders to resolve gaps between processes and training materials.
- Planned and facilitated user acceptance testing workshops with global business users and IT resources to verify changes to systems met all functional requirements prior to production deployment.
- Developed and delivered presentations at global steering committee meetings that allowed executives to maintain visibility and guide projects toward successful completion.

**INTERACTIVE INTELLIGENCE** (Acquired by GENESYS) – Indianapolis, IN

**01/2008 to 11/2016**

### Senior Finance Systems Analyst

- Led the evaluation, selection and successful implementation of a new global ERP system that enabled more than 100 users to move from disparate systems to a single enterprise platform.
- Managed the on-time and on-budget global implementation of Concur travel and expense management while training over 300 global users on the product.
- Received the 2015 Chairman of the Year award for the Ohio Valley Dynamics Community user group.

**FINISH LINE** – Indianapolis, IN

**06/2002 to 12/2007**

### Information Systems Manager

- Managed a team of Business Analysts responsible for translating business requirements to IT solutions.
- Served as the key interface between business leaders and IT management.

**ERNST & YOUNG** – Indianapolis, IN

**08/1998 to 05/2002**

**Technology and Security Risk Services Manager**

- Managed the completion of external audit engagements that required comprehensive understanding of diverse business processes and associated risks.
- Communicated audit findings across all levels of management and provided value added solutions.

**DELOITTE & TOUCHE** – Cincinnati, OH

**07/1997 to 07/1998**

**IT Consultant**

Performed general computer and application control audits in support of external financial audits.
