## Scholarship Scramble Monday, July 23, 2018 Golf, Great Fun & Great Prizes

We at **CFMA** (Construction Financial Management Association) are proud that with support from sponsors like you, our **Scholarship Golf Scrambles** have raised more than **\$460,000** in scholarship assistance for college of Business Administration students at the **University of Toledo** and **Bowling Green State University**. This support is especially appreciated as our colleges face continued budget challenges. Student scholarships are a top priority at BGSU and UT!

We are aware that there are many golf outings in our area, but **CFMA** hosts one of the few that allocates **100%** of the net proceeds to assist students in continuing their education. And in addition to supporting a worthy cause, your sponsorship spotlights your company's name in a gathering of construction, suppliers, banking, insurance, and accounting professionals.

We hope you will consider one of the following sponsorship levels for the 2018 Scholarship Scramble. We also hope that you'll join us on July 23rd at Brandywine Country Club, 6904 Salisbury Road Maumee Ohio for our **24rd Annual Scholarship Scramble**. The links await!
