The Construction Financial Management Association (CFMA) is the only nonprofit organization dedicated to serving the financial professional in the construction industry. CFMA has developed a network of members across the country that provides the only source of education and information about the unique aspects of construction financial management. CFMA has a national membership of 8,000 and a local membership of approximately 75 including both General Members and Associate Members.

Over the last twenty-four years the CFMA Northwest Ohio Chapter has contributed more than \$460,000 for scholarships at Bowling Green State University and The University of Toledo. **Won't you join us for this worthy cause!**
