

CONSTRUCTION FINANCIAL MANAGEMENT ASSOCIATION

**ESSENTIAL TO THE SUCCESS AND GROWTH
of construction financial professionals (CFPs)**

About CFMA

- Founded in 1981
- More than 8,600 members
- 99 chapters in the U.S. and Canada
- Individual member association (not a trade association)
- Share knowledge with and network among those related to the financial side of construction

[CFMA.ORG/ABOUT US](https://cfma.org/about-us)

Membership

65% General Members

35% Associate Members

GENERAL MEMBERS represent all types of contractors, including generals and subcontractors as well as developers, construction managers, architects, engineers, and material and equipment suppliers.

ASSOCIATE MEMBERS are those serving the construction industry, such as accountants, surety agents, bankers, lawyers, and IT specialists.

[CFMA.ORG/MEMBERSHIP](https://cfma.org/membership)

CFMA's VISION, MISSION & VALUES

OUR VISION

To be essential to the success and growth of construction financial professionals (CFPs).

OUR MISSION

CFMA builds impactful CFPs and creates communities for networking and collaboration for our members that advance the construction ecosystem.

OUR VALUES

- **INTEGRITY:** Fostering a culture of ethical behavior in both business dealings and personal relationships.
- **INCLUSIVE COMMUNITY:** CFMA will build an open, welcoming, inclusive association of members, chapters, and other stakeholders who share CFMA's common values.
- **COURAGEOUS LEADERSHIP:** Taking on challenges that impact the industry; understanding what needs to be done and working with others to achieve it; advancing the profession and the industry.
- **LIFELONG LEARNING:** Helping each member continually grow to reach their full potential.
- **CONTINUOUS INNOVATION:** Invest in new ideas, technology, and resources.

DEVELOP MEMBERS & STAKEHOLDERS

CFMA will provide education, certification, resources, and support necessary for members and stakeholders to grow and to be an essential part of their company's success.

BUILD INCLUSIVE COMMUNITY

CFMA will foster an open, welcoming, and inclusive association of members, chapters, and other stakeholders who share CFMA's common values.

ADVANCE OUR INDUSTRY

CFMA will be a leading authority for education, information, and financial acumen to advance the construction ecosystem.

CFMA's STRATEGIC GOALS

STRENGTHEN CFMA

CFMA will strengthen its chapters, processes, data, and technology in support of its mission and the delivery of exceptional value to its members and stakeholders.

INNOVATE

CFMA will continuously investigate new business models, services, emerging issues, and products in support of its members and stakeholders.

- Governance
- Item Writing and Review Task Force

CFMA Peer Groups

- Groups of 10 peers in non-competing markets
- Program runs April 1-March 31
- Applications Open in December

"The CFMA Peer program is not only a great value, but also one of the best things I'm involved with. The program has created space for me to develop relationships with other financial leaders who face the same challenges I deal with every day. My Peer Group not only shares best practices regarding all aspects of our businesses, they also provide a real-time sounding board where we can discuss what's happening in our companies, our regions and the construction industry."

Frank Carpenter, VP of Finance, Morris, Inc.

[CFMA.ORG/PEERGROUPS](https://cfma.org/peergroups)

CFMA Mentoring Program

- Path to CFMA leadership
- Most mentors are past national leaders
- Open to Select General and Associate Members

*“Mentorship is the Key to
Extraordinary Success.”*

-Mike Murdock

Earn Your CCIFP

Your role in construction finance is more than just balance sheets and cost codes. As a strategic leader, how well you effectively implement and communicate your knowledge drives success within your company.

By earning your CCIFP you'll learn "big picture" way of thinking and go beyond the numbers to ensure you are well-rounded in several areas, such as technology, risk management, and HR.

Take the pledge to earn your CCIFP and receive exclusive study resources and tips from current CCIFPs.

Two Great Resources Created Just for Construction Financial Professionals

THE CONSTRUCTION FINANCIAL BENCHMARKER is for those who need to be able to evaluate their company's performance and report on how it compares with the industry in regards to key ratios and interpretive commentary on liquidity, profitability, leverage, and efficiency.

[CFMA.ORG/BENCHMARKER](https://cfma.org/benchmarker)

THE STATE TAX LAW GUIDES are your first stop in regard to questions, clarification, explanation, direction, or refreshing of information in your state or the states you do business in. These documents are designed to sit next to you as you work your way through tax preparation and be used as a quick reference as you work.

[CFMA.ORG/STATETAXLAWS](https://cfma.org/statetaxlaws)

Through the information and resources CFMA has compiled, the Alliance looks to help those in the construction industry create awareness of the problem, cultivate a culture of caring, and start the conversation in the workplace.
