

# Florida Regional Conference

## Sponsorship and Exhibit Opportunities Available

The chapters of CFMA Florida are jointly planning the CFMA Florida Regional Conference, which will be held November 14-15, 2019, at the Rosen Shingle Creek located in Orlando, Florida. We have planned a great agenda with both national and local speakers.

We are seeking your help in sponsoring the Conference to allow us to put on a quality conference with a national flare while maintaining minimal registration fees. This is also an excellent opportunity for your firm to demonstrate your support to the construction industry and gain exposure to our member firms.

The specific event sponsorships will be awarded on a first come basis.

To secure your sponsorship or get more information, contact Yvette Aubin – [miami-dade@cfma.org](mailto:miami-dade@cfma.org)

Thank you for your support of the CFMA Florida Regional Conference!
